# Andrei Rosca

Junior Web Developer · IT Support

09roscaandrei@gmail.com +63 955 815 4060 Valenzuela City, Philippines

ireaching.github.io/portfolio github.com/iReaching LinkedIn profile

Hands-on IT support experience and full-stack web projects using React, TypeScript, PHP, MySQL, and Tailwind CSS. Interested in junior developer, IT support, and hybrid technology roles.

## EXPERIENCE & PROJECT LEADERSHIP

### Full-Stack Developer & Project Lead

Dec 2024 – Apr 2026

CondoLink · Capstone project
A condominium management system connecting residents, staff, guards, and administrators.

- Built responsive dashboards with React, TypeScript, and Tailwind CSS for announcements, bookings, reports, and entry logs.
- Developed PHP workflows and connected MySQL tables for role-based, user-specific features.
- Led planning, feature development, testing, debugging, and delivery.

### IT Support Trainee · On-the-job training

Jun – Oct 2025

Our Lady of Fatima University
486 hours of hands-on technical support in a university IT environment.

- Assisted staff and users with desktop, laptop, Windows, printer, driver, and connectivity issues.
- Supported device configuration, software installation, system maintenance, and troubleshooting.

## SELECTED PROJECTS

### CondoLink · Capstone

Responsive condominium management system with role-based dashboards, bookings, maintenance requests, announcements, and entry logs. React, TypeScript, PHP, MySQL, Tailwind CSS.

**github.com/iReaching/CAPSTONE1**
